Dear Resident/Business Leader

**ADDRESSING TRAFFIC ISSUES IN THE HASSOCKS AREA.**

As you may recall, a report was published by a Parking Working Group set up by Hassocks Parish Council which identified a number of parking and traffic flow issues.

Following a survey and extensive local consultations a set of proposed solutions have been drawn up by West Sussex County Council. These proposals will be exhibited at the following location and times:

**Hassocks Parish Council, Parish Centre,  
Adastra Park, Keymer Road, Hassocks, BN6 8QH**  
on  
**Tuesday 21 June 2016 - 3:00pm to 9:00pm**  
**Saturday 25 June 2016 - 9:00am to 12:30pm**

These consultations will give you an opportunity to let me, my officers and members of the Parking Working Group have your views so that we can take the proposals to the next stage.

As we are seeking the views of many people, we are not able to reply to individual responses to this consultation. Please be assured, however, that all feedback received will be carefully considered.

Full details of the consultation material and how you can respond will be available on the Hassocks Parish Council website.

I hope to meet you on one of the above occasions.

Yours faithfully
