

# Traders launch first Business Network

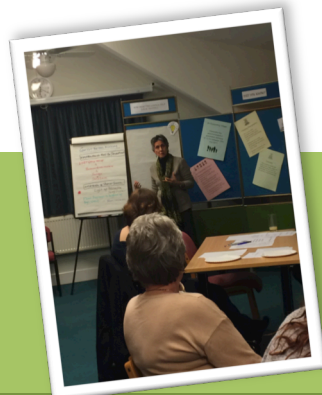

Hosted by Hassocks Parish  
Council's Economic  
Development and Tourism  
Group

February 2017

## 16 businesses meet to discuss future trade

Hassocks Parish Council's Economic Development and Tourism Group invited traders from across the village to attend the two hour networking event in the Parish Centre on Tuesday 31<sup>st</sup> of January. Under discussion on the night were ways to encourage more regular shoppers into the village high street, how to develop a market for tourists who visit our village on their way into the South Downs National Park, and how to encourage better communication between the many varied businesses in Hassocks, particularly joining up Keymer shopping parade to the High Street.
