

Stonepound Road - Parking Changes

Changes proposed in this road:

1. A No Waiting restriction on the East side of the road with double yellow lines.
2. It is also proposed to paint intermittent double yellow lines with No Waiting opposite driveways to allow residents to come in and out of their drives safely.
3. On the bend, double yellow lines on both sides of the road are proposed due to poor parking causing difficulty for public service vehicles and also the problems that drivers have seeing round the bend when cars are parked there.
