Subject: Agenda Item 7 – SDNPA Local Heritage List.

---

1. The purpose of this report is to invite Members to note the following correspondence from the SDNPA regarding the creation of a Local Heritage List. Members are invited by the SDNPA to offer any comment or suggestion that Members feel would improve the draft criteria and guidance notes.

Dear Clerk,

The South Downs National Park Authority is look to create a ‘Local Heritage List’ which will cover the entire park. This is one way of identifying **non-designated heritage assets**.

In practice, this does not provide any extra direct controls – it isn’t the equivalent of listing. However, paragraph 135 of the NPPF says that, should a planning application be submitted which affects the significance of a non-designated heritage asset, that effect should be taken into account when determining the application.

If the LHL is to be successful, it needs to be based on a rigorous and transparent system and the first step in achieving this is to establish the criteria against which potential additions to the LHL can be assessed.

To that end, a draft set of criteria and a guidance note which attempts to explain them have been prepared. They can be found here <https://www.southdowns.gov.uk/planning/supplementary-documents/>

Eventually we will invite amenity societies and Parish Councils to offer suggested additions to the LHL, so it is important that the documents are as clear as possible.

We would be very pleased to receive any comment or suggestion that you think would improve the criteria and guidance notes. These should be sent by email to [HistoricBuildings@southdowns.gov.uk](mailto:HistoricBuildings@southdowns.gov.uk) or in writing to The Conservation Officer, South Downs Centre, North Street, Midhurst, West Sussex GU29 9DH by 30 July 2018
