7th February 2022.

Dear Mr Cumberworth,

Thank you for meeting me on Thursday 3rd February 2022. to discuss and review what we consider is the need to replace doors and windows at Adastra Bowling Club.

The entrance doors have been repaired and strengthened on several occasions and together with the double-glazed units to both doors and screen and those in the kitchen, all of which have blown, all need replacing. The fire escape door in the Ladies' changing room is now beyond repair and a replacement is required. So, in the cause of security and appearance, we have taken the pre-emptive step of obtaining quotations for rosewood coated PVC frames and doors together with double glazed windows, the lowest of which is £4,600.00.

As we discussed, the Club is prepared to organize this work but for it to proceed, we require both approval and financial support from the Parish Council – as our landlord – and therefore would appreciate if this intent be put to them. I also understand that some financial assistance may be available from Mid Sussex Council, perhaps you would be kind enough to give me a contact name or department, so that I may make contact with them.

It may be that Building Control approval is required for the work to proceed, I will contact that department of the Council to ensure that any regulations are conformed too.

Best regards,

[REDACTED]

Barrie Sheffield,
 Hon Secretary.
