Dear Sir,

I am writing on behalf of Adastra Bowling Club as it has become necessary for us to purchase a new mower for cutting the green. The Club members for many years have carried out the maintenance of both the green and the surrounding areas, which has been to the benefit of both the Parish and the Bowling Club.

After searching the market for a suitable mower at a suitable price, the cost of the mower which we have ordered is £8,500 including VAT. As this is a necessary purchase but expensive, we would ask if it is possible that the Parish Council could consider making a contribution to the purchase cost.

Your sincerely, *Barrie Sheffield*
