

Inspection  
chambers &  
approx depth to  
pipe invert levels

# ADASTRA PARK DRAINAGE IMPROVEMENTS - SITE PLAN

SCALE APPROX 1:1000  
(AT A3)

| Key       | Symbol            | Description         |
|-----------|-------------------|---------------------|
| IC        | Circle with cross | Inspection Chamber  |
| 150φ      | Line with cross   | 150mm Diameter Pipe |
| 200φ      | Line with cross   | 200mm Diameter Pipe |
| 300φ      | Line with cross   | 300mm Diameter Pipe |
| min 1:60  | Arrow             | Minimum Slope 1:60  |
| min 1:100 | Arrow             | Minimum Slope 1:100 |
| 42.0      | Dot               | Spot Height 42.0    |
| 43.0      | Dot               | Spot Height 43.0    |
| 44.0      | Dot               | Spot Height 44.0    |
| 45.0      | Dot               | Spot Height 45.0    |
| 46.0      | Dot               | Spot Height 46.0    |
| 47.0      | Dot               | Spot Height 47.0    |
| 48.0      | Dot               | Spot Height 48.0    |
| Building  | Rectangle         | Building            |
| Road      | Double line       | Road                |
| Stream    | Wavy line         | Stream              |
| Contour   | Line              | Contour             |
| Grid      | Dot               | Grid                |
