

HASSOCKS PARISH COUNCIL**To:** Grounds & Environment Committee**Date:** 7 May 2026**Contacts for this report:** Deputy Clerk**Subject:** Additional seating in Adastra park - Item 10.3

The purpose of this report is to present a proposal from the Park Working Group to install additional picnic tables around the park:

Suggested Locations:

Under the trees in the north field play park to provide some shade during the summer. (A suggestion from a member of the public)
In the south field near the existing picnic table

1. Cyan Wheelchair accessible Picnic Table 1.8m (delivered assembled)

- Sustainable grade-A teak (Tectona grandis)
- Robust, hardwearing and durable
- Finely sanded, smooth finish
- Weather, water, rot and termite-resistant
- Naturally high in oils and rubber
- Low-maintenance and easy to clean
- Suitable for year-round outdoor use
- Cost - £695.0

**2. Waddington Picnic Table**

(Delivered flat pack)

- Seats up to six people
- Wheelchair accessibility
- Built in parasol hole
- Vandal and tamper resistant plastic cover caps
- Weather resistant and low maintenance
- Recyclable after life - This unit can be disassembled for ease of recycling
- Cost: £840.00

Indicative cost of a concrete base:

1.95m x 1.2m wide - £400 ex VAT (as per a quote from Greenscenes for a base for a bench last year). I would expect a quote around £600 for the larger area required for a table.

RECOMMENDATION: Members are invited to agree one location or multiple locations around the park.

(Funds - Adastra Masterplan EMR)
